

# HISTORY COMIC STRIP

**Objective:** Create a comic strip based on a topic that we studied this year. In addition, provide detailed information about the topic in the form of two paragraphs.

**Step 1:** Brainstorm possible topics that were studied using your binder and/or my Weebly site.

**Step 2:** Complete the Comic Strip Planning Worksheet in complete sentences.

**Step 3:** Begin drawing your cartoons on the comic strip provided in class. You may look up images, etc. online if a computer is available.

- Please ensure that images are neat.
- Comic strip should have some color.
- You must use all the boxes provided.

**Step 4:** You must also include captions for the characters to explain to the reader what is occurring.

- Handwriting must be neat.

**Step 5:** You will need to type two paragraphs that explain the material we learned in class and how it connects to the comic strip. You may need to research more information online to complete this portion.

You will be provided with time in class to work on all parts of this assignment. It will be worth a test grade.
